**3) Microfilm Resources**

*[The Center has a microfilm reader and printer available for visitor use. Microfilms of local newspapers (the Landmark and the Valley News) and Vermont and New Hampshire census records are available through inter-library loan or the National Archives rental program. At this time, we do not own any microfilms of our own, but are hoping to acquire The Landmark on microfilm in the future. To order microfilms via inter-library loan, contact the librarian at least a week before your visit.]*

## **Wish List**

**We are always looking for books to add to our collection. Please contact us if you would like to donate a book or sponsor the purchase of a book for our collection (perhaps in memory of a loved one). We are especially interested in New England Town Histories, Genealogies of New England families and local city directories.**

## **Volunteers Needed**

**Volunteers are needed in several key areas, including:**

- **Data entry** (entering information into our electronic databases)
- **Filing** (filing obituaries and other genealogical information in our family files)
- **Center Operations** (volunteering to open the Center to the public, assisting visitors, answering questions regarding the collection, etc.)
- **Research** (volunteering to answer genealogical queries received by mail, e-mail, or in person)
