EMERGENCY ISSUE

April 1, 1999: We have just learned that our scheduled guest speaker, Henry Bissex who was to speak at the April 14th meeting will be unable to do so due to a health emergency. It is hoped he can deliver his speech entitled, *Schoolmaster 1791* at our September meeting. In his place:

**David P. Wright to Speak on The Rise and Decline of Mineral Springs in Vermont
April 14, 1999, 7 PM in the Sanctuary
of the Greater Hartford United Church of Christ**

David P. Wright from Middletown Springs, Vermont is president of the Middletown Springs Historical Society. He has done considerable research on this subject starting with the spa in his hometown. Imagine yourself living during the Victorian Period in a large city and coming to Vermont for your health. (The Woodstock Inn had its own spa with the near- familiar name of Sanatoga Springs!) Come and see the huge hotels, the people who frequented them, learn how they dressed and why they came.

Coming Soon: Wednesday, May 12, 1999 at 6:00 PM Our Annual business Meeting and Pot-luck Supper. Mark your calendar save the date! Bring your favorite dish as well as your own silverware. The Officers and Directors will be elected and a number of important issues discussed. A silent auction will be held. Items will be on display before and during supper. Winners will be determined during the business meeting. **COME EARLY!**

David Briggs will talk on The History of the Hotel Coolidge, successor to the Junction House, *pictured at left*. Do you really know for whom it was named? This history will include the story of the murals at the hotel and will coincide with a special art display in the lobby by the same artist.

Please come, support and guide your Historical Society. Your ideas and especially your presence are needed.

Saturday, August 14, 1999: The 75th Celebration of Quechee State Park System. Look for railroad displays and enactments of earlier times. More info in the months to come.
